### Crossroads Brings Big Magic to North Texas

Crossroads Family Services has booked 2008 Magician of the Year, **Rob Lake**, for a Halloween magic show at the Eisemann Center in Richardson. The event has been planned for **Friday, October 30, 2009**. The event, while a fundraising opportunity for Crossroads, is aimed at families, offering them an inexpensive and high quality event that everyone can enjoy. In lieu of a lavish ball or gala, Crossroads makes it a priority to make its fundraising events affordable and family-oriented so that everyone in the community can take part. More details will come soon!

Commissioner Kathy Ward, Verizon representative **Cesar Moncada**, Star Childrens Charity's **Ronelle Ianance**, and Councilwoman **Mabrie Jackson** helped cut the ribbon to launch Crossroads' V.O.I.C.E. program. Over 500 children will be served in 2009.

### Muralist Leonard Seiler Brightens Crossroads

Muralist **Leonard Seiler** donated his professional services to design and render a beautiful mural for the entrance of Crossroads' play therapy rooms (pictured at right). The mural features a design which symbolizes the path to healing that children who witness domestic violence undergo when receiving services at Crossroads. Special thanks goes to Mr. Seiler for his creativity, talent, and hard work!
